

**ATTN: CHANGE OF DATES FOR MFDA OPEN HOUSE TO
TUESDAY, 7TH NOVEMBER – SATURDAY, 11TH NOVEMBER.**

THE FITNESS PROFESSIONALS

Dear Parents,

In light of all the structural changes that have been made to the Mandy Fouracre Dance Academy in the past four weeks, we have decided that it will be in the best interest of us all to move up our Open House for the term.

This is to enable you all to witness the positive effects that the changes made have brought so far.

The MFDA Open House for Term 1 will now be from **Tuesday, November 7th to Saturday, November 11th.**

We understand that it has not been an easy month adjusting to all the variations but we are once again grateful that so many of you have trusted us to do what we do best and that is to deliver the maximum quality of service and tutelage to our young dancers.

We have no doubt that you will be very pleased once you see firsthand the effects that the changes have made.

Furthermore, you will have a better understanding of why it was so necessary to undertake such an exercise as our assessment sessions and also why so many modifications had to be made to our timetable.

Thank you all so much for your support, loyalty and cooperation. We will continue to strive to make the Mandy Fouracre Dance Academy better than it has ever been.

Kind Regards,

Pippa F. Pepera
