Dear Parents/Guardians and Students

WELCOME BACK TO PIPPA'S HEALTH CENTRE LTD AND MFDA!!!!

We write to officially and formally welcome EVERYONE back to Pippa's Health Centre Ltd to begin our new dance term on September 21st 2021.

We are now confident that it is time to begin physical classes in the studio with our students.

We wish to assure our parents and students that we will continue to follow the C-19 guidelines of hygiene, masking and sanitizing.

We will be sending out a newsletter shortly which will have a reminder of our health and safety guidelines.

We would like to take this opportunity to introduce our Teacher in September, Ms. Laura Marie Knight. Ms. Laura is a well experienced Royal Academy of Dance Teacher, Mentor and Practical Teacher Supervisor who has also for a number of years run her own dance studio in the Middle East. Ms. Laura will also be continuing the Modern classes that we introduced under Ms. Jane. We do hope that more of our students will introduce the Modern Dance into their repertoire this year. Kindly find attached a brief biography on Ms. Laura.

Please note your child/ward will remain in the SAME class, day and time as before the C-19 disruption. There will of course be some movement in classes and levels as we settle back into the new dance year. Should your child/ward not be returning to MFDA in September, we would be grateful if you would notify the front office by email: foringway@pippasfitness.com

We very much look forward to welcoming you back to the dance studio in September.

Best Wishes,

The MFDA Team
