

June 15<sup>th</sup> 2023.  
Dear Parents and Students,

**PIPPA'S**  
Health Centre Limited

The Fitness Professionals

**REFERENCE: YEAR END NEWSLETTER.**

As we reach the end of another amazing term, it's time to reflect on the incredible journey we've shared together. Term 3 at the MFDA has been a period of growth and learning for all of us.

Throughout the term, our talented students have done their absolute best to achieve success in their RAD exams. Their dedication and hard work has earned them some decent grades and medals. The feedback that we received from the Examiner has also been helpful in our decisions moving forward as a dance academy with standards of excellence.

Once again we extend our congratulations to each student who participated in the RAD exams. We couldn't be prouder of your accomplishments and commitment to excellence.

We would also like to express our deepest appreciation to the supportive parents who have played an integral role on their children's journey. Your unwavering support, encouragement, and sacrifice has been instrumental in our achievements.

We thank Ms. Libby for her efforts and wish her a very safe and happy return to the UK this June.

Finally, we wish all our parents and students a wonderful and well -deserved long vacation. If you have the opportunity to travel, please be sure to visit art galleries, dance performances, theatre productions, music concerts, so that you expose your children to the wonderful world of the Arts.

Happy Holidays and Best Wishes,

PIPPA and The MFDA Team
