We are certain that when you get the balance of discipline, correct dance technique, a solid curriculum and passion that you produce happy dancers and happier parents!!! We hope you agree😊

A special thank you to our super team, Libby, Truth, Miguel and Team Pippa's for their professionalism and commitment.

There are a few things we would like to draw to your attention while we are on the long vacation. They are as follows:

- The video should be available the week commencing June 21st. We will update you via whatsApp and email soonest. Thank you for your patience!

- We would like to offer a summer dance program which will include the following: MUSICAL THEATRE, JAZZ, BALLET, ACRO and HIP-HOP. We will be sending out more details on this shortly. This would be open to any child and not just MFDA students.
