Dear Parents,

REFERENCE: MFDA YEAR END LETTER

We are extremely proud of all our students this year. What a wonderful and constructive year it has been for all of us at MFDA!

In September 2018 we introduced our senior vocational class and the acrobatics dance program; followed by our production of Twinkle Twinkle Christmas Stars at the National Theatre in December 2018. The Christmas Show allowed us to end 2018 on a high and begin 2019 with confidence and new energy.

We then hosted the Royal Academy of Dance Exams in April 2019. All our students are to be commended for their achievements on every level. We were pleased to receive a bursary from the RAD for Miss Aseye Sodzie-Tettey. She continues to be a role model and inspiration to all our students.

Recently, a crew from Joy TV have attended some classes to film our students for a documentary feature on the academy in order to highlight our standards of excellence and the caliber of students and teaching that we offer in Ghana. More information on the program will be sent to you in due course.

Our final Open House was a delightful way to wrap up the successes at MFDA for the past three dance terms. All the ballet students have been working towards the new syllabus work since their examinations. We will continue to teach under the auspices of Ms. Libby in September and wish to thank her for her dedication, hard work and enthusiasm throughout the year. Miss Libby will now take a well deserved break and we look forward to welcoming her back in September for another super successful dance year.

We remain as always thankful to our parents for their support and encouragement. We wish you all a very safe and happy long vacation and we look forward to meeting you again in September.

Best Wishes

Pippa and the MFDA Team
